Mr. Scott T. Burrows
Inspirational/Motivational Speaker

Dear Scott,

I want to thank you for a truly inspirational and inspiring presentation at the Brookside Laboratories Winter Consultant Meeting, February 2, 2003 in Tampa, Florida. The adversities and challenges that you have faced in your life have to exceed that of 100 people combined. The courage and determination that has allowed you to conquer those adversities has to exceed that of 1,000 people combined.

Your message certainly inspired our consultants, their guests and myself and put a new perspective on how small the "normal" everyday challenges really are. You make it clear that we all can attain new heights in our personal and professional lives if we only face adversity with a resolve to never give in.

Thank you again for an excellent presentation and please feel free to use my name as a reference for future speaking engagements.

Sincerely,

Brent Stombaugh,
President/CEO
