Dear Scott,

Hope you had a happy and a comfortable journey back to, and also hoping that you had enjoyed India to the fullest during your stay.

It gives us immense pleasure to thank you & Mrs. Ramona Burrows for coming down to India and making our event a grand success through delivering an informative & energizing performance speech on “ **Vision, Mindset & Grit & Stand up to your challenges**” during our Champions Forum '2008 Meet at Agra, which was also appreciated by our top officials.

Post the event, advisors and managers are talking in the lines of “**Stand Up To Your Challenges**”. The concept has communicated the idea very-very well and it has now become the talk of the town, which is benefiting all of us & our advisors in their own way.

Looking forward to work again with you for a longer term relationship.

Thanks & Regards
