Dear Scott:

I want to take this opportunity to thank you personally for your inspirational keynote address at our recent annual awards dinner in Louisville, Kentucky.

As coordinator of this event, it was a pleasure to work with you. You promptly returned phone calls and sent informational packets, which made my job so much easier.

Your message to our group that you can meet any challenge, whether it is personal or professional, if you have the right attitude was very inspiring!! I saw many in the group wiping a tear from their eye as they listened to you share the adversities you faced. The applause at the conclusion of your speech celebrated the victories you have won!!

I was delighted that you chose to remain with the group at the conclusion of your speech to share our evening of recognition and fun for those in our organization.

Thanks again for sharing your uplifting message.

Sincerely,

Terri Medice
