All is well and thanks for the email. The feedback on your presentation was EXCEPTIONAL! I/we could not have asked for anything better than what you delivered.

Thematically, I could not have imagined a better presentation and how it tied into the journey that CONMED and its employees must undertake to regain our vitality in the markets we serve. As you know from our conversation 2014 was a tough year for the Company but really the battle had begun years earlier. To hear your story around vision, mindset and grit really put our challenges into perspective.

I am very fortunate to have run into you in the airport and thank you for taking the time to talk with me and then engage in this presentation. I have many years of special guest speakers...Your story was motivating, uplifting and engaging for the entire audience.

Best Regards,

...SPELLBINDING...ENTERTAINING...INSPIRING...

"Spellbound," "entertained" and "inspired" are just a few of the words that immediately come to mind when thinking of Scott Burrows and the impact he has with audiences. Focused on making sure his message is received to positively influence, challenge and add value to each audience member is Scott's goal.

I've had the privilege of hearing most of the domestic and international's best, and Scott Burrows is among the elite. Regardless of the ages in his audience, he delivers with incredible style. Standing ovations are great, but Scott is focused more on what each person is inspired to do when they walk out. More interested in "engagement" than entertainment, Scott Burrows delivers.

ABOUT SCOTT BURROWS

Scott Burrows was a star athlete and fierce competitor. By the age of 19, he played college football at Florida State University as a wide receiver under Coach Bobby Bowden and was a top ranked kick-boxing champion, with his last fight broadcast by ESPN.

During the height of Scott's collegiate career, his life changed dramatically and abruptly on November 3rd, 1984. He survived a horrific car crash, suffering a serious spinal cord injury that left him paralyzed from the chest down and diagnosed a quadriplegic. Despite his grim diagnosis, Scott refused to be sidelined. After six months of intense physical therapy, Scott astonished everyone, including his doctors, by turning an impossible goal of standing again into a reality.

Scott enrolled back into college and earned a Bachelor of Science Degree in Finance from the University of South Florida. After graduation, he entered the insurance and financial industry as a financial advisor. In his 5th year, he qualified for the Million Dollar Table, a 100% commission-driven award that less than 8% of his peers from all companies around the world qualify for yearly. At the pinnacle of that career, Scott decided to make a change and partner with his brother Mark as a venture capitalist. Together, they formed an international golf course development company, doing business in Southeast Asia. That

company still thrives today.

Today, as a motivational keynote speaker and bestselling author, Scott has presented to organizations, associations and Fortune 500 companies and has been invited to kick off corporate conferences in Australia, India, Spain, Bermuda, Mexico, the Czech Republic and Canada.

"Scott took the information he gathered in our pre-meeting call and wove it seamlessly into his message, which made it relevant to each and every person in the room."

**CHRIS POWELL,
SENIOR VICE PRESIDENT & GM**

"The theme of this year's meeting was 'Believe,' and Scott's story blended beautifully with our meeting message. He seamlessly incorporated our client's name, goals and other key information into his talk."

JOYCE RUSSELL, PRESIDENT

"It was as though Scott had been working side-by-side with our General Agents, as he clearly demonstrated an understanding of the issues and opportunities they face."

**J. CRAIG COLLINS,
SENIOR VICE PRESIDENT**
