

AUDIOVISUAL REQUIREMENTS

Microphone

- * Wireless Lavalier Preferred

Projection

- * LCD Projector and Large Screen or Screens to show Scott's Open and Close Videos

What We Will Send You Via Email

- * Open and Close Videos
- * Scott's Introduction

Open Video played during Scott's introduction.

Closing Video played at the end of Scott's presentation. He will prompt your AV team to play it by saying, "I'd like to leave you with this closing video."

Stage & Room Setup

- * Stage, 1 or 2 feet off the ground and 12 to 25 feet wide is preferred.
- * Access ramp needed since Scott presents in a wheelchair. Stage right or left is preferred. Some groups prefer that Scott enters from the back of stage. If you are having difficulties sourcing access ramp, Scott is okay having 2 people lift him onto stage.

Please Note: Scott prefers NO RAILINGS on access ramp whenever possible. Most hotels venues can comply; if issues arise, rails are acceptable.

NOTE: Video- or Audiotaping Scott's Presentation

Scott Burrows is happy to have his presentation video- or audiotaped for internal and noncommercial use. Written permission must be acquired from Scott's management team prior to the event. Copyright and intellectual property rights of the recorded session belong solely to Scott Burrows. In lieu of payment for the use of his copyrighted material, Scott requires a digital copy, MiniDV or DV-Cam of the video recording.
