

# INTRODUCTION

Our next speaker has an unforgettable, life-changing story that proves that Limits Can Be Exceeded, Barriers Broken and that No Circumstances Can Ever Destroy the Power of the Human Spirit.

By the age of 19, he was playing football at Florida State University and was a Top-Ranked kick-boxing **Black Belt** champion, having his last fight broadcast by ESPN.

That same year, however, our speaker's life changed dramatically. He was involved in a horrendous automobile accident that left him paralyzed from the chest down and diagnosed a quadriplegic.

Despite his grim diagnosis, he refused to be sidelined.

Today, as an Author, Motivational Speaker, Wheelchair Athlete and Successful Business Entrepreneur, he travels the world inspiring organizations to Stand Up to Any Challenge.

By the way, his Book, ***Vision-Mindset-Grit***, will be made available after his presentation.

Now, before I introduce our speaker, let's watch this Video.
